English

1. Hello!
2. Today something about robots.
Can you tell me what a robot is?
3. Do you think there are robots in your house?
4. Why people make robots? To replace something or to make it better?
5. In what films there were robots?
6. Watch this film and list all the robots:

https://www.youtube.com/watch?v=7ZuLsS_WMiU

7. Do you know that robots move only when a man writes a special code? Try to play a game with coding:

<https://lightbot.com/> - it's fun - download the app and make a robot move :)))
